SFX: MUNCH MUNCH

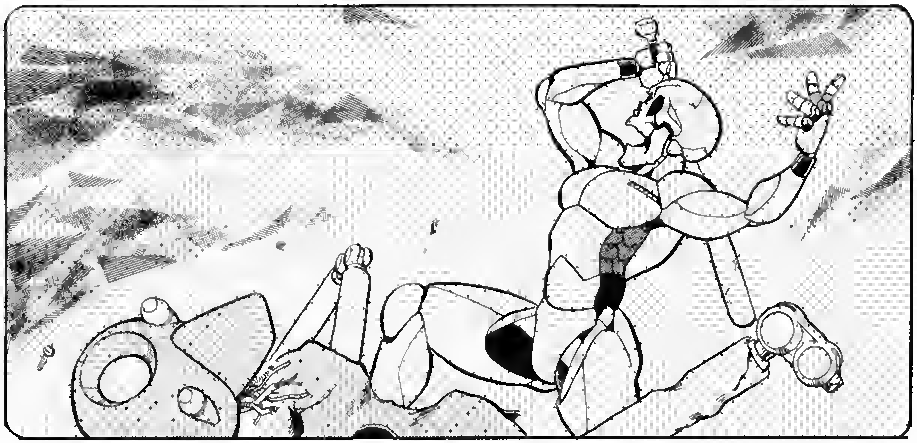
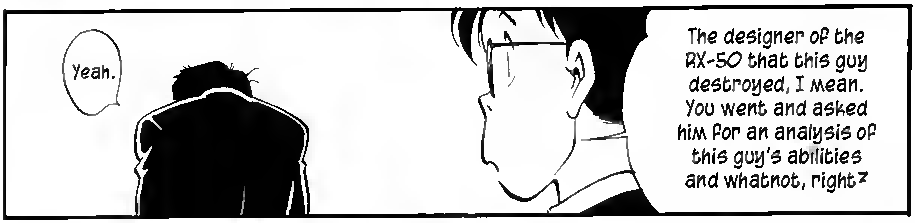
Hey.
SFX: SNORE (INHALE)
Well, to be honest, I'm getting rather sick of tailing him.
Ah, Naganuma-san...
How's the situation?

SFX: SNORE (EXHALE)
Well, what's odd is that...
He hasn't been in contact with any suspicious people so far, but...
I see.
He spent two days working at a building demolition site until yesterday...
No, there's probably no point.
Why don't we mobilize everyone to investigate him?
Where did he come from?
Who is he?
Even though we've kept tabs on him for so long, nothing's turned up at all.



Oh,
What did that expert have to say?
Make no mistake, it's a weapon from some country somewhere, but...
That fighting power...
.....



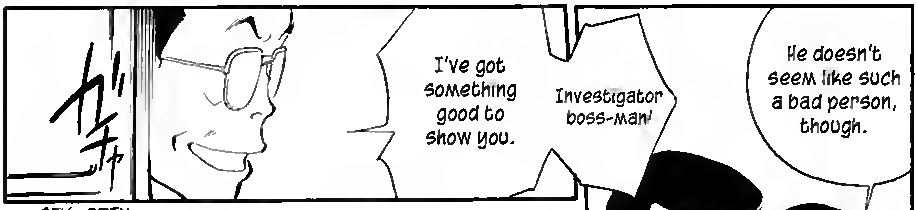
Yeah.
The designer of the RX-50 that this guy destroyed, I mean. You went and asked him for an analysis of this guy's abilities and whatnot, right?

Well, about that...
What's the matter?
?

I'M UMEDA KOUZOU FROM THE TECHNICAL RESEARCH AND DEVELOPMENT INSTITUTE. I DECIDED TO PAY YOU A VISIT!
HEY, NAGANUMA-SAN OF THE JDA'S GROUND STAFF OFFICE'S INVESTIGATION DEPARTMENT'S 2ND SECTION INVESTIGATION TASK FORCE!
YOOHOO~! MISTER INVESTIGA-TOR!!
NOW THAT I'M HERE, EVERYTHING'S GONNA BE OKAY!
Of course.
There's no way that I, Umeda Kouzou, can simply ignore the fact that the RX-5O that I'd so painstak-ingly created has been destroyed!
YOU DO REALIZE WE'RE AN INTELLIGENCE AGENCY, RIGHT!?
Is something wrong?
KEEP YOUR VOICE DOWN!
EVERY-THING'S NOT OKAY, YOU IDIOT!
Like the CIRO or PSIA!
That aside, you really did end up coming, huh?

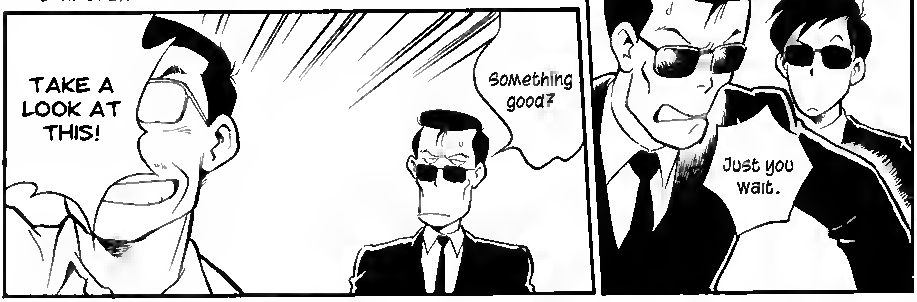
TLNOTE: JDA: JAPAN DEFENSE AGENCY (NOW THE MINISTRY OF DEFENSE).
CIRO: CABINET INTELLIGENCE AND RESEARCH OFFICE.
PSIA: PUBLIC SECURITY INTELLIGENCE AGENCY.

I see. So this is the expert.
We're all members of the JSDF, right? Even though it's a prototype, don't you feel any anguish at one of our weapons having been torn apart?

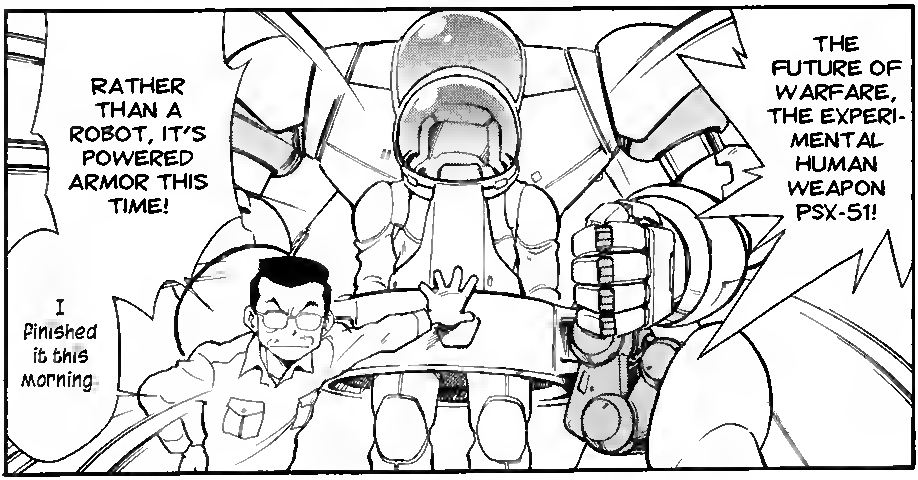


カチャ
I've got something good to show you.
Investigator boss-man!
He doesn't seem like such a bad person, though.

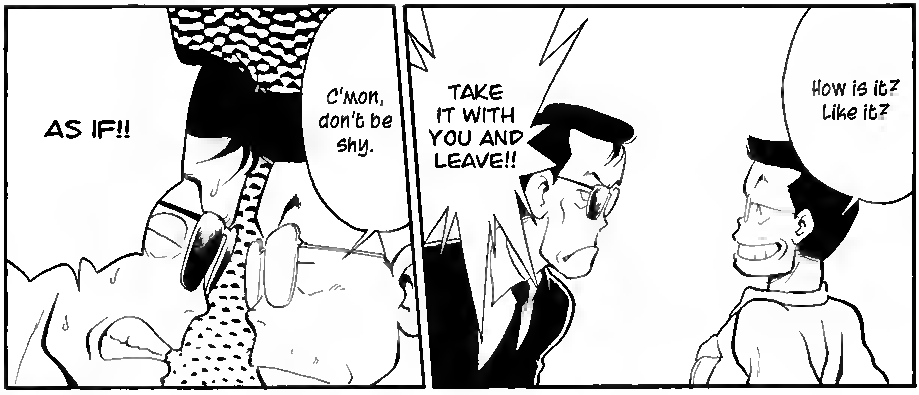
SFX: OPEN



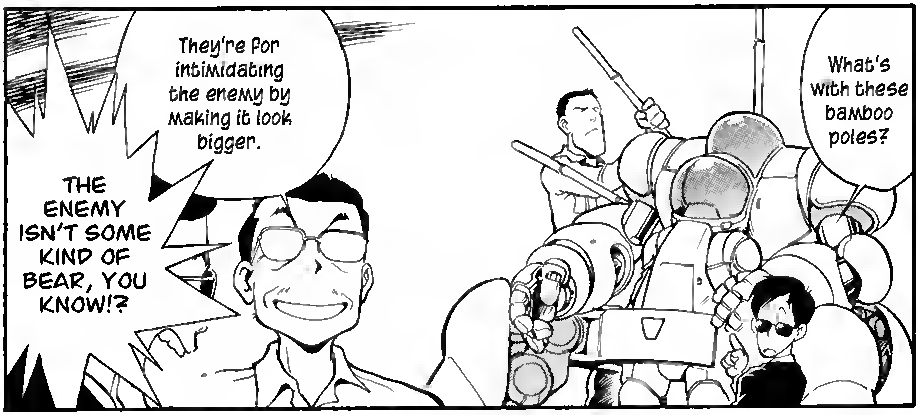
TAKE A LOOK AT THIS!
Something good?
Just you wait.



RATHER THAN A ROBOT, IT'S POWERED ARMOR THIS TIME!
THE FUTURE OF WARFARE, THE EXPERIMENTAL HUMAN WEAPON PSX-51!
I finished it this morning

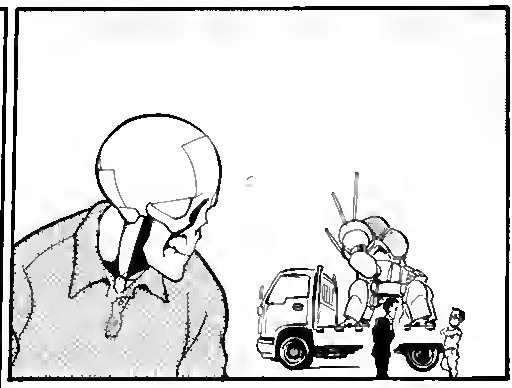


AS IF!!
C'mon, don't be shy.
TAKE IT WITH YOU AND LEAVE!!
How is it? Like it?



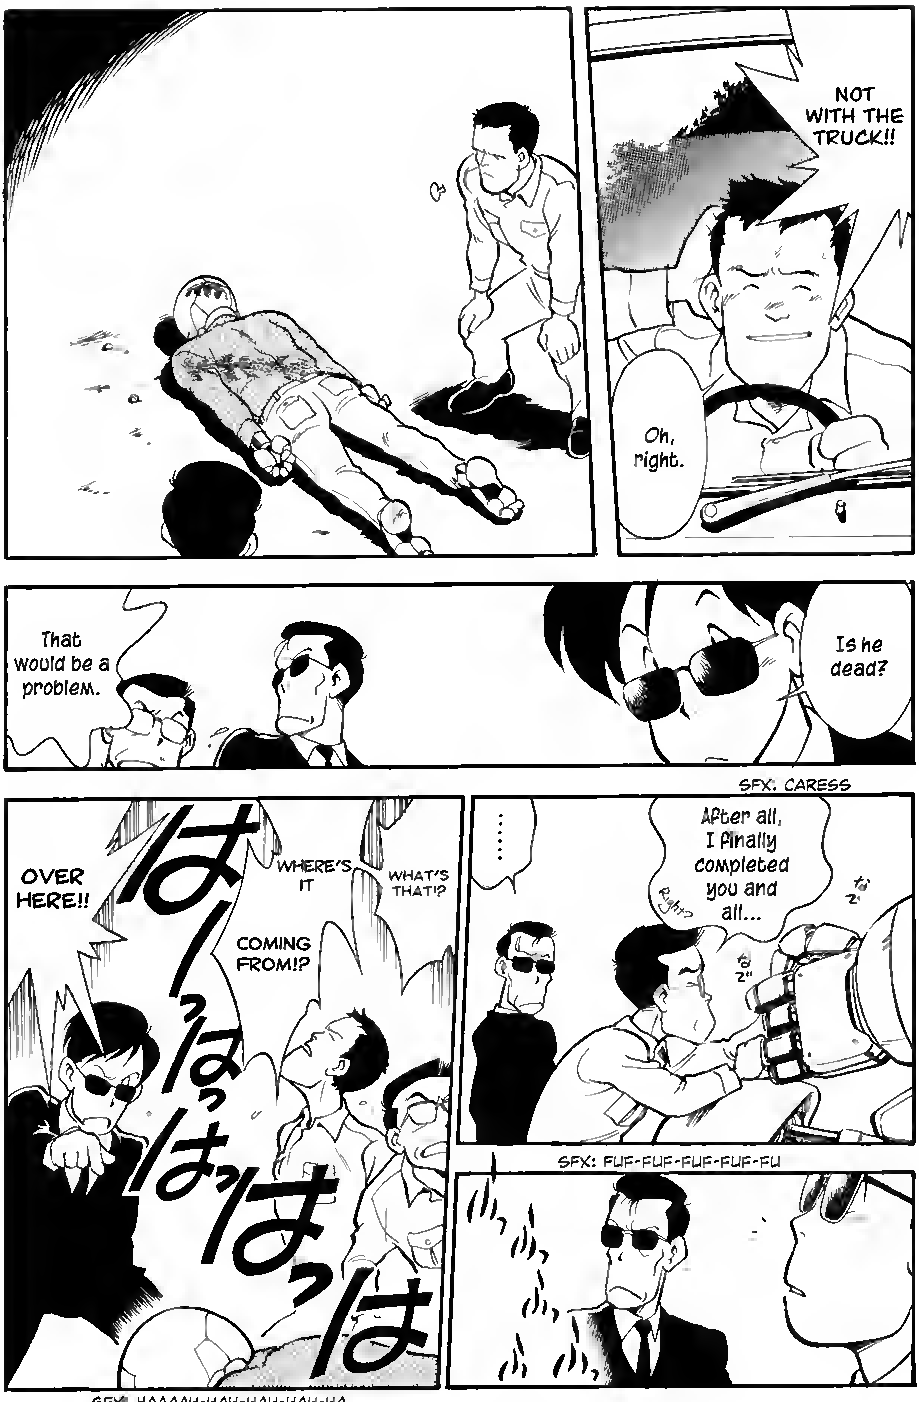
THE ENEMY ISN'T SOME KIND OF BEAR, YOU KNOW!?
They're for intimidating the enemy by making it look bigger.
What's with these bamboo poles?

WE DO NOT WANT ANOTHER PUBLIC DISTURBANCE OCCURRING! DO YOU UNDERSTAND!?
...THE JSDF HAS BEEN SUBJECTED TO HARSH CRITICISM EVER SINCE THAT LAST INCIDENT!



At any rate...

LISTEN TO ME, DAMN IT!!
I'm gonna smash him to bits.
So anyway, where is he?
?
AH HHH!
Great, now people have come to gawk...
YES, SIR!
MATSUOKA, IT'S YOUR TURN TO SHINE! KNOCK HIM DOWN!!
SFX: WHAM



NOT WITH THE TRUCK!!
Oh, right.
That would be a problem.
Is he dead?
SFX: CARESS
OVER HERE!!
WHERE'S IT COMING FROM!?
WHAT'S THAT!?
はっはっはっは
SFX: HAAAAH-HAH-HAH-HAH-HA
After all, I finally completed you and all...

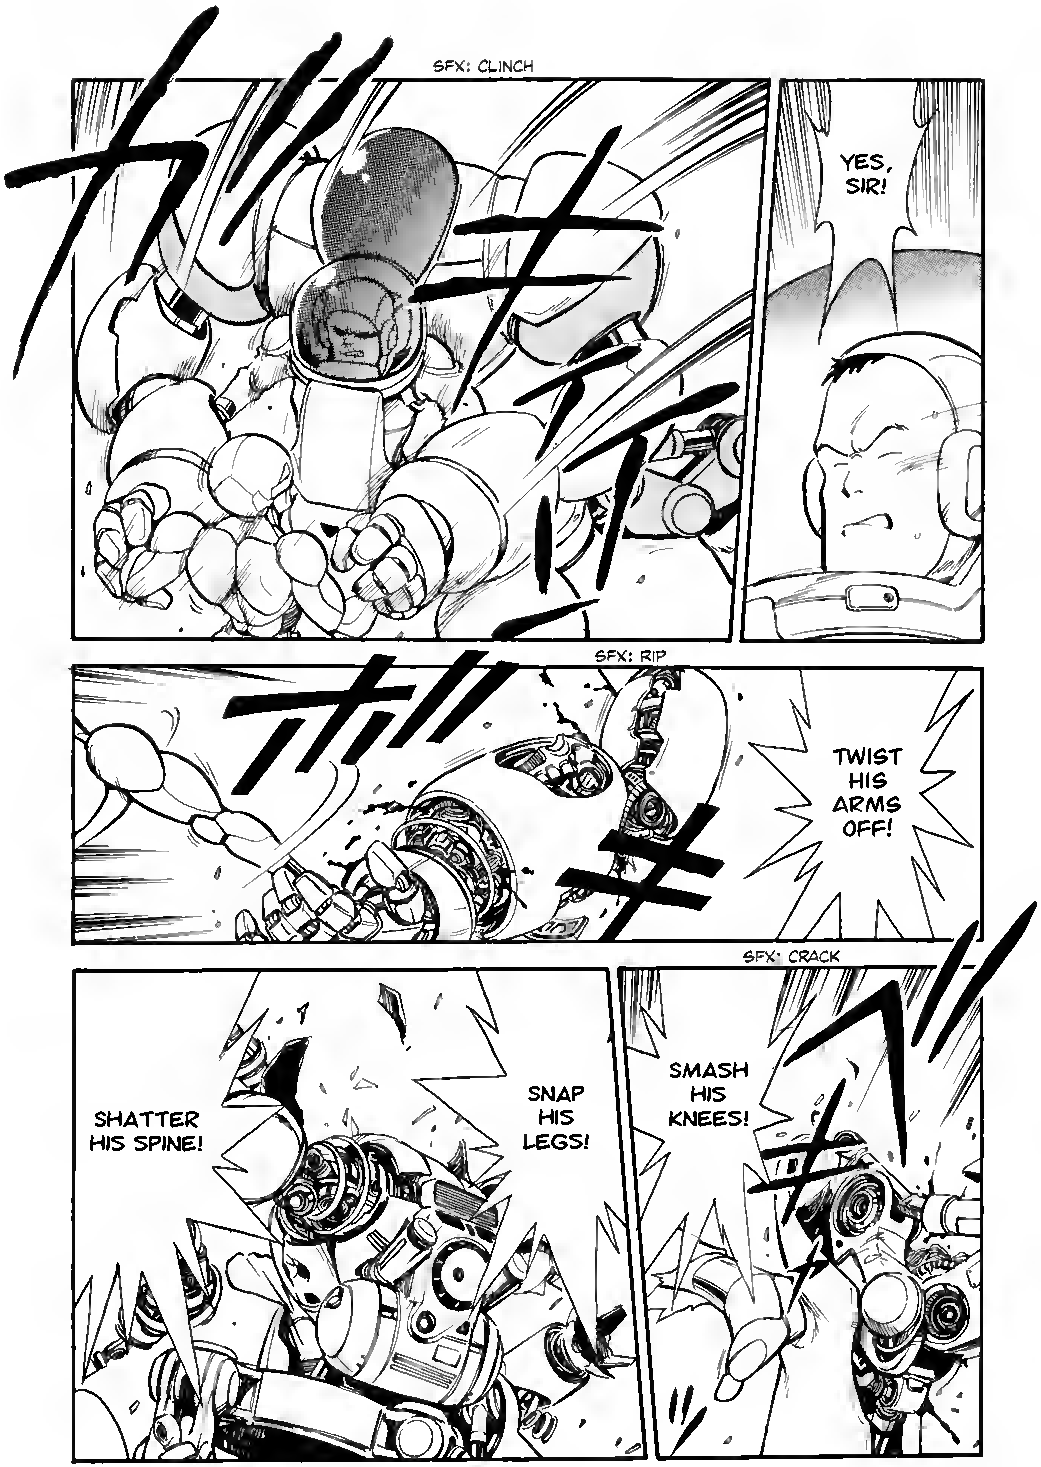
YOU'RE JUST GONNA KEEP OBSERVING!?
FUUUP-PUP-PUP.
Nah, I reckon they've got it right.
YOU'VE GOT IT MIXED UP, YOU FOOLS!
AH, A BAD FOUR-LEGGED ROBOT IS FIGHTING WITH A SUPER HERO!
GO ON, MATSUOKA! SHOW THAT BLOCKHEAD THE MIGHT OF THE PSX-51!!



SFX: CLINCH

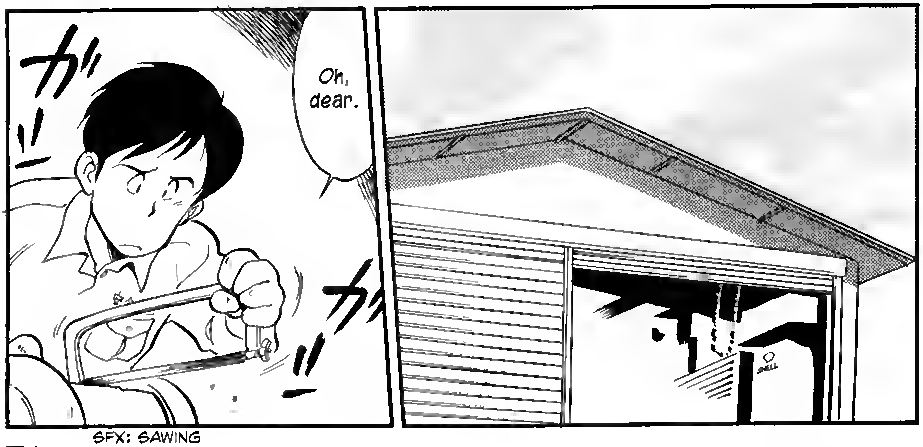
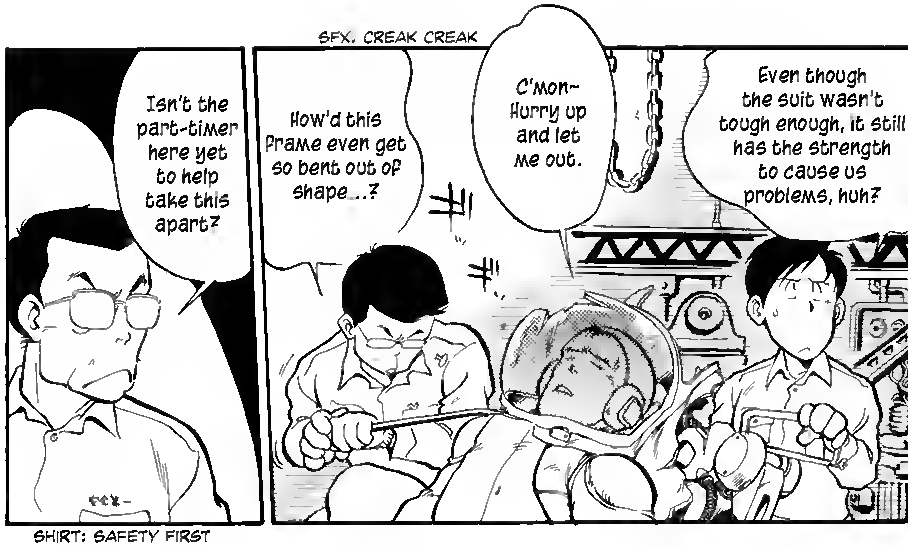
SFX: NAHAHAHAHAHAHAHA





SFX. CREAK CREAK
Isn't the part-timer here yet to help take this apart?
How'd this frame even get so bent out of shape...?
C'mon~ Hurry up and let me out.
Even though the suit wasn't tough enough, it still has the strength to cause us problems, huh?

SHIRT: SAFETY FIRST
